Wisconsin Student Immunization Law requires that all students through grade 12 meet a minimum number of required immunizations prior to school entrance. Failure to meet these requirements can result in fines and exclusion from school. These requirements can be waived only for health, religious or personal conviction reasons.

For families <u>with</u> health insurance covering vaccination, immunizations can be accessed through your regular health care provider.

For families <u>without</u> health insurance covering vaccination, immunizations are offered at NO COST at the Barron County Public Health Department:

Barron County Public Health –Government Center
