

Volunteer Commitment & Confidentiality Statement

Welcome to the Rice Lake Area School District. We are committed to the success of our students. As a volunteer you play a vital role in this success. We truly appreciate your willingness to serve.

As a volunteer in the Rice Lake Area School District you may be asked to work with students or perform tasks that would give you insight into some confidential issues. These issues can include, but are not limited to, matters of student performance or behavior, ability levels of students, family relationships, or other personal matters that relate to the individuals at the building.

It is important that as a volunteer you maintain confidentiality. This means you should not discuss performance of individuals who work or study at the site outside the school setting. If you have questions about confidentiality, please feel free to discuss them with the principal of the building.

If you wish to volunteer, we ask that you please make a commitment to confidentiality. Please sign and date Exhibit 2, *Volunteer Emergency Information Sheet and Service Commitment* form and return it to the building principal prior to your volunteering experience. Again, welcome to our schools, and thank you for your commitment.
