

## INTRAMURAL COMPETITION

Intramural sports shall be encouraged as part of the regular physical education program, the noon recreation program, and after-school hours program in order that all students may have the opportunity to participate.

It is the policy of the Rice Lake Area School District, pursuant to s. 118.13 of Wisconsin Statutes, and Chapter PI 9 of the Wisconsin Administrative Code, that no person may be denied admission to any school or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program or activity on the basis of the protected classes of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, or physical, mental, emotional, or learning disability. The District shall not discriminate in student participation in athletic programs or activities, standards and rules of behavior, disciplinary actions or facilities usage.

This policy does not, however, prohibit the district from placing a student in an activity based on objective standards of performance, from providing separate programs in inter scholastic athletics for males and females if such programs are comparable in type scope and support from the District, or from providing separate toilet, locker and shower facilities. Discrimination complaints shall be processed in accordance with established procedures.
