

STUDENT TEACHERS AND INTERNS

Student teachers may receive training in the District with permission of the District Administrator who may also make such arrangements as to insurance and liability coverage as may be required.

Intern teachers may receive training in the District with permission of the District Administrator who may also make such arrangements as to insurance and liability as may be required.

The District will work with the Wisconsin Improvement Program in placing intern teachers. The intern teacher shall assume no more than one half of a normal teaching assignment. The supervising teacher is paid according to the terms of the employee agreement and the Wisconsin Improvement Program.

Student teachers and interns shall not be eligible for employee benefit programs.
