

DISTRICT OBJECTIVES

What an organization wants to achieve in order to accomplish its mission while remaining true to its beliefs.

- All students will consistently demonstrate the character traits necessary to be compassionate and resilient.
- Each student will demonstrate personal academic excellence as measured by standardized assessments and local common assessments.
- 91% of students will meet or exceed English Language Arts standards by 2017.
- Each student will graduate and will make a successful transition to either a post-secondary education option or meaningful career endeavor.
