

BOARD OF EDUCATION POLICY DEVELOPMENT AND ADOPTION

The Board of Education will determine the policies to guide the decision-making process governing all activities of the schools. In the development of policies, the Board of Education and/or administration may consult, as appropriate, with individuals and groups affected by the policy and those with expertise related to the policy topic.

The Board of Education reaffirms its intent to provide for community, employee and student participation in policy development by directing the District Administrator to establish and maintain such procedures as will be needed for the following purposes:

1. to provide the Board of Education with the ideas and feelings of interested persons and groups in formulating new or amending existing policies.
2. to provide opportunities for intercommunication among the persons involved.
