

FIELD TRIP PERMISSION FORM

Rice Lake Area School District

School Year: _____

According to Board of Education policy*, written approval of the parent/guardian is required for participation of students in field trips. By signing this form, you will be giving permission for your child to participate in school sponsored field trips. Prior to embarking on the trip, teachers will provide parents the specifics of each field trip. At that time, parents will have the opportunity to approve or deny permission to an individual field trip in lieu of an alternate instructional activity.

The school will utilize the information you have provided on the Student Emergency Data Form. *Please be sure to inform the school secretary of any changes to this information that may occur during the school year.*

All regularly scheduled or “as needed” prescription medications will be administered as ordered on field trips.

* See reverse side of page for Board of Education policy.

I authorize the Rice Lake Area School District to take my child,
 _____ on school sponsored field trips during the
 _____ school year.

-OR-

I do **not** authorize the Rice Lake Area School District to take my child
 _____ on school sponsored field trips without prior consent for
 each individual event. I will be contacted prior to each school sponsored field trip for
 approval.
