

PERFORMANCES BY STUDENTS

The Board recognizes that worthy and appropriate educational values accrue from student participation in civic and community affairs. Instructors shall be encouraged to provide students for public performances when such performances contribute to the educational process and objectives of that particular class and when they do not interfere unduly with other scheduled classes or activities within the school.

Assemblies, public programs and public performances by students have an important place in a well-rounded educational program. They must, however, be consistent with the educational goals of the schools.

School groups may, with the permission of the principal or supervisor, participate in local public events which fall in the following classifications:

1. Events sponsored by the schools. Educational events in which the schools serve as hosts shall have priority in scheduling appearances.
2. Community functions organized in the interests of the school.
3. Non-commercial civic occasions of community, county, State or national interest of sufficient breadth to enlist general sympathy and cooperation.
4. Events that are primarily patriotic in nature, such as Veterans' Day.
5. Charity benefit activities provided such activity has been specifically approved in advance by the Superintendent.
6. Programs sponsored by established character-building agencies, or programs sponsored jointly by the school District and mass communication media where the time or space given to the program is of a public nature.

School groups may not participate in events that fall into any of the following classifications:

1. Events that are for the purpose of private gain or for the advertising of any commercial project or product. A school name, the names of school-sponsored groups or school equipment shall not be exploited in events of a commercial nature.
2. Events that are for the furtherance of any politically partisan interest. In questionable cases, the matter shall be referred to the Superintendent.
3. Events that are primarily for the furtherance of any sectarian concern.
4. Events that cause an undue amount of interference with the regular school program or that cause an excessive amount of absence due to rehearsal or preparation.
