Phone (715) 234-9007
Fax (715) 234-4552

Welcome to the 2020-21 school year!

We know this year certainly has a different feel to it, and staff members throughout the district have been working diligently to be ready for the start of the school year.

By now, you should have received a back-to-school information for the student(s) in your family. Within that mailing was information about completing the online "Back-to-School Registration/Forms and Fees" process. If you have not already done so, I encourage you to log into your Skyward Family Access account and complete the process at a suitable time. This feature allows you to access important back-to-school information and to complete many housekeeping steps in a user-friendly manner so that your student(s) are better prepared to start school. If you have any questions, including how to obtain a Skyward Family Access account, please refer to the information you received.

According to section 115.385(4) of Wisconsin state statues, each public school in the state of Wisconsin is required to provide a copy of the school's accountability report published by the Wisconsin Department of Public Instruction (DPI) to the parent/guardian of each student enrolled in or attending the school. If you would like to view a school report card for any school in the district, please follow [this link](#), and select the link of the report card you would like to view.

Additionally, here are some links to important about face coverings, daily health assessments for students and staff, frequently asked questions related to COVID, etc. These links are also available on the district website under the "What's Happening" item for COVID 19 Information. As a parent, if you have questions about this, please call me directly at 715-234-9007.

If you have any questions about any information contained in this email, please feel free to call your respective school office, and the staff members there will be happy to help you.

Sincerely,

Randy Drost
District Administrator
